# Achievements in HEALTHCARE

## MARCH 18, 2021

### 4PM - 5:30PM • ONLINE EVENT

Long Islanders from all walks of life rely on our healthcare industry to keep our communities strong. Dedication, creativity and diligence is the formula for quality care.

The Long Island Business News Achievements in Healthcare Awards aims to recognize excellence, promote innovation, and highlight professionals and organizations whose tireless work, contributions and dedication to health ensure the well-being of everyone on Long Island.
