Founded by Robert Rossiter in 1947, the Group is guided by the philosophy "treat

others how you would like to be treated". Through the introduction of services, client referrals, strategic acquisitions and technology the firm has greatly expanded under the leadership of Timothy Rossiter who joined the family legacy in 1983 and Dan who joined in 2002. Providing charitable, compassionate care of the highest quality to families facing a healthcare crisis has been the cornerstone mission of Visiting Nurse Service & Hospice of Suffolk (VNSHS) since we were founded in 1952. One hundred percent of the net proceeds of the VNSHS Golf Classic support Hospice House. Founded in 2004 as the first freestanding inpatient hospice in New York State, Hospice House provides a supportive homelike environment where families and friends can share final days with their loved ones.
