An Educational Presentation on Health Care Equity by Sarah Jones

John W. Engeman Theater in Northport

250 Main Street, Northport, NY 11768

Monday, October 30 at 2 pm.

Proud Sponsors:

VNSHS Foundation, Inc. • Linda Taylor, MA, BSN, RN, VNSHS Chief Executive Officer
David Harris, MD, MPH • St. Johnland Assisted Living Inc.

All healthcare professionals including certified social workers, case managers, nurses, home health aides, clinicians, therapists and others working or volunteering in healthcare settings who are **seeking continuing professional development are invited to attend this performance** by world renowned performer, writer, and transformational speaker, Sarah Jones, known for her polymorphic style of character portrayals and one person shows such as her Tony Award winning show Bridge & Tunnel, originally produced by Oscar Award winning actress Meryl Streep. Sarah Jones will entertain participants on the importance of health care equity; share strategies for addressing racial and ethnic disparities in health care outcomes; and help participants recognize the signs and symptoms of healthcare inequities and how to implement corrective measures.

This program has been pre-approved by The Commission for Case Manager Certification to provide continuing education credit to CCM®

board certified case managers. The course is approved for 1.5 CE contact hour. To claim these CEs, log into your CCMC Dashboard at www.ccmcertification.org. This program has been pre-approved by CMSA-LI for 1.5 CEUs for MSWs. CMSA-LI is recognized by the NYS Education State Board for Social Work as an approved provider of continuing education for licensed social workers and board certified case managers.

This nursing continuing professional development activity was approved by North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. To receive 1.5 contact hours, learners must attend the entire education, pass the post-test with a score of 80% or better, and submit a completed evaluation form.

- Identify and address signs and symptoms of racial and ethnic disparities in health care outcomes.
- Improve communication, respect and mutual understanding with patients and one another.

100% of the net proceeds of this event benefit Visiting Nurse Service & Hospice of Suffolk in Northport, NY, a not-for-profit, 501(c)3 organization established in 1952 as Suffolk County's first home care nursing agency.
